WORK EXPERIENCE

website instructor and full stack developer Mexico, Addis Ababa /Everlink digital technology plc

08/2022 - 11/2023

Addis Ababa, Ethiopia

Achievy, igniting a passion for web development in students and building impactful websites for the companyements/Tasks

- Thrived in a dual role at Everlink Digital Technology, igniting a passion for web development in students and building impactful websites for the company. Empowered Future Developers: Instructed students in React, PHP, HTML, JavaScript, and CSS, equipping them with in-demand skills for successful web development careers. Interactive Learning: Fostered a collaborative environment where students tackled realworld projects, solidifying their technical foundation. Full-Stack Expertise: Utilized my web development skills to craft user-friendly and responsive websites, ensuring seamless front-end and back-end integration for optimal functionality.
